

## Covid-19 Lake Butler Hospital Update

We know you are concerned about COVID-19 and we want you to know that Lake Butler Hospital is taking all necessary precautions to ensure that our patients, visitors and staff members remain safe. We are following guidance from the Centers for Disease Control (CDC) and are monitoring reports from the CDC for accurate and timely updates.

While we don't have any patient's that have tested positive for coronavirus (Covid-19), we are asking screening questions to all staff, vendors and accompanying patients presenting for treatment. Screening process includes, triage for symptoms and pertinent history related to COVID-19 exposure before entry unless an emergency demands rapid response by staff. We are currently prohibiting visitors at this time for the safety of our patients and staff. We are cancelling scheduled public events including the Senior Social Club. Willows' Café will also be closed to the public during this time. We apologize for the inconvenience. We will continue to provide updates as they come available.

- If you are experiencing flu-like symptoms: We recommend you **call** your primary care provider, local health department or the ER to discuss your symptoms so they can make the appropriate recommendations to you.
- If you have a scheduled appointment: If you are ill or have concerns, please call your physician's office to discuss your conditions and reschedule your appointment if necessary. Otherwise, please plan to keep your appointment as scheduled.
